Zanders Paper is a German manufacturer of high-quality specialty papers and cartons for labels, packaging and graphic applications. Founded in 1829 by Johann Wilhelm Zanders in Bergisch Gladbach, the company still operates the Gohrsmühle paper mill with about 310 employees. The portfolio includes high-gloss label papers and premium board qualities of the traditional brand Chromolux, one of the world's leading paper brands, as well as high quality variants with extra smooth or naturally napped surfaces. These include Zanlabel label papers and Zanpack packaging board qualities. Especially designed for digital printing, Zanders Paper offers the premium range of Chromolux digital and Silver digital brands as well as Zanjet, a double-sided coated paper for commercial high-speed inkjet printing. The portfolio is rounded off by Zanbarrier, the barrier paper for flexible food packaging, which is available in the variants Zanbarrier OGR (Oil and Grease Resistant) and Zanbarrier NGR (Natural Grease Resistant – a barrier function completely without fluorocarbon or other chemicals). The company's customers are manufacturers of beverages such as spirits; sparkling wine, wine, beer or water, food and luxury foods, tobacco products, pharmaceutical and cosmetic products.
